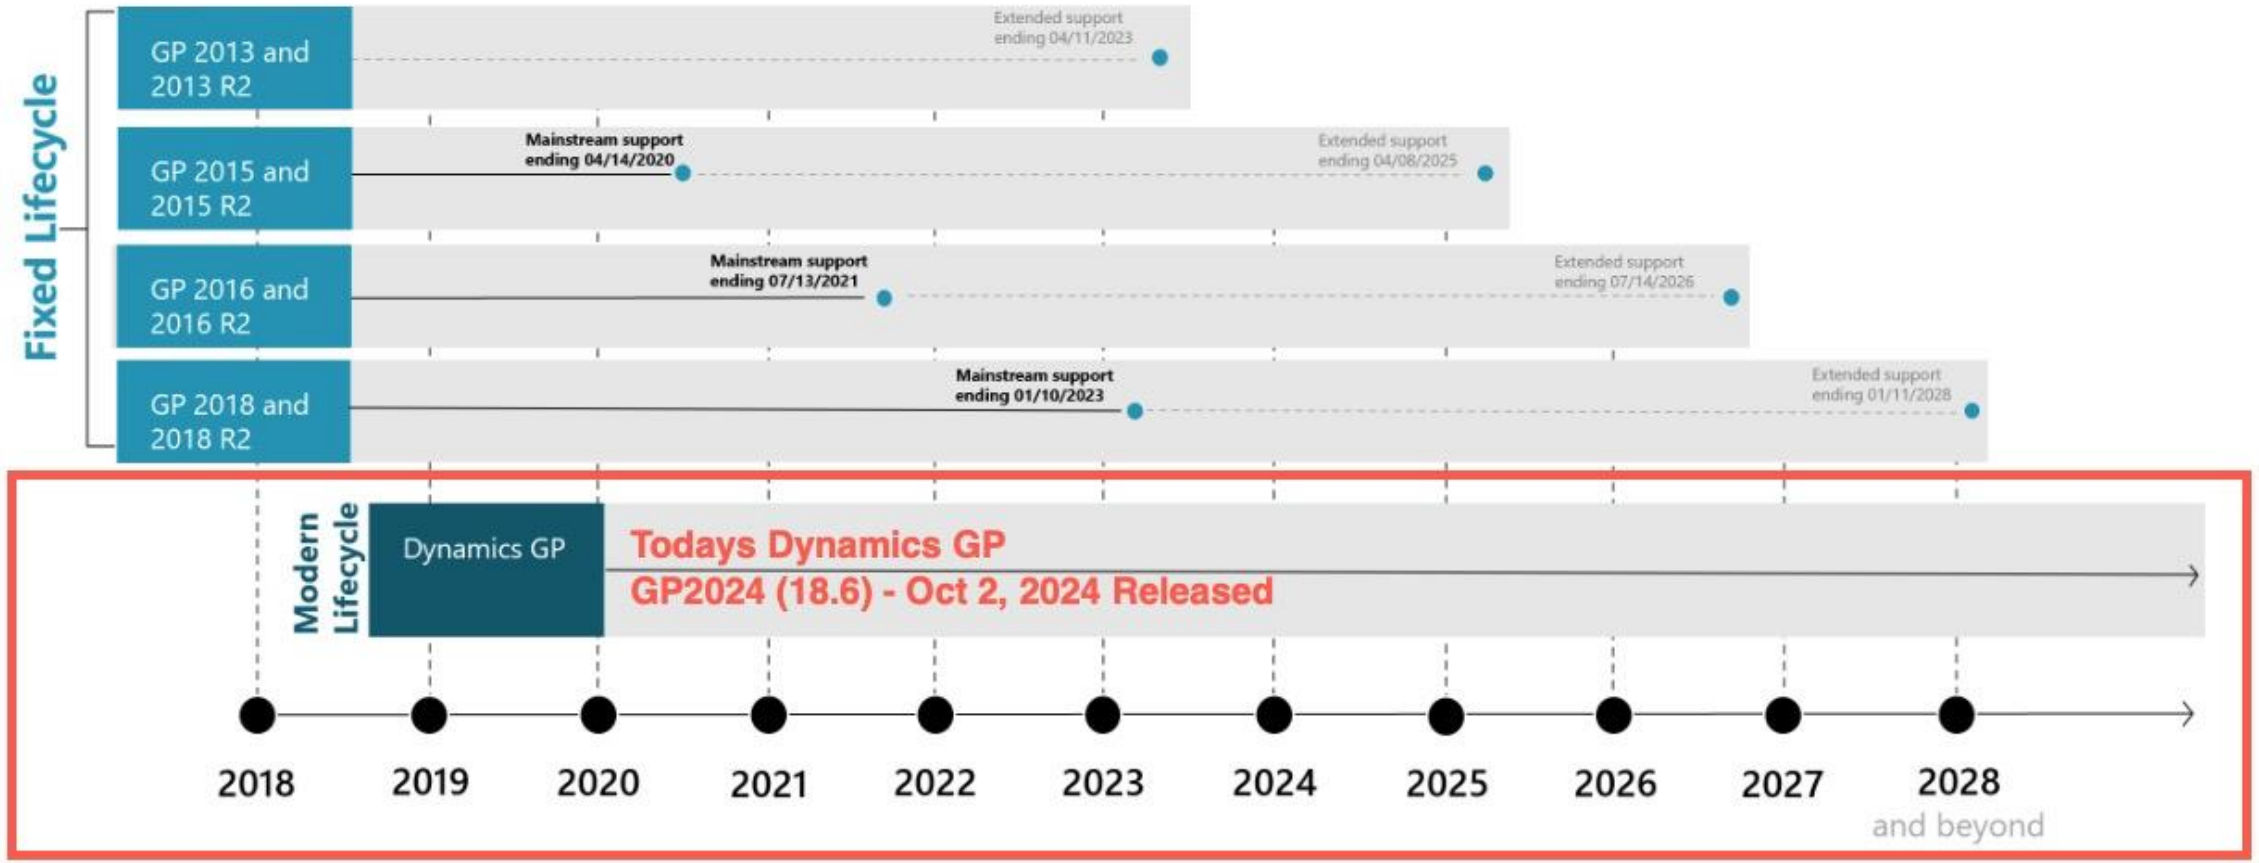
Defenders of Dynamics GP

# Agenda for Today

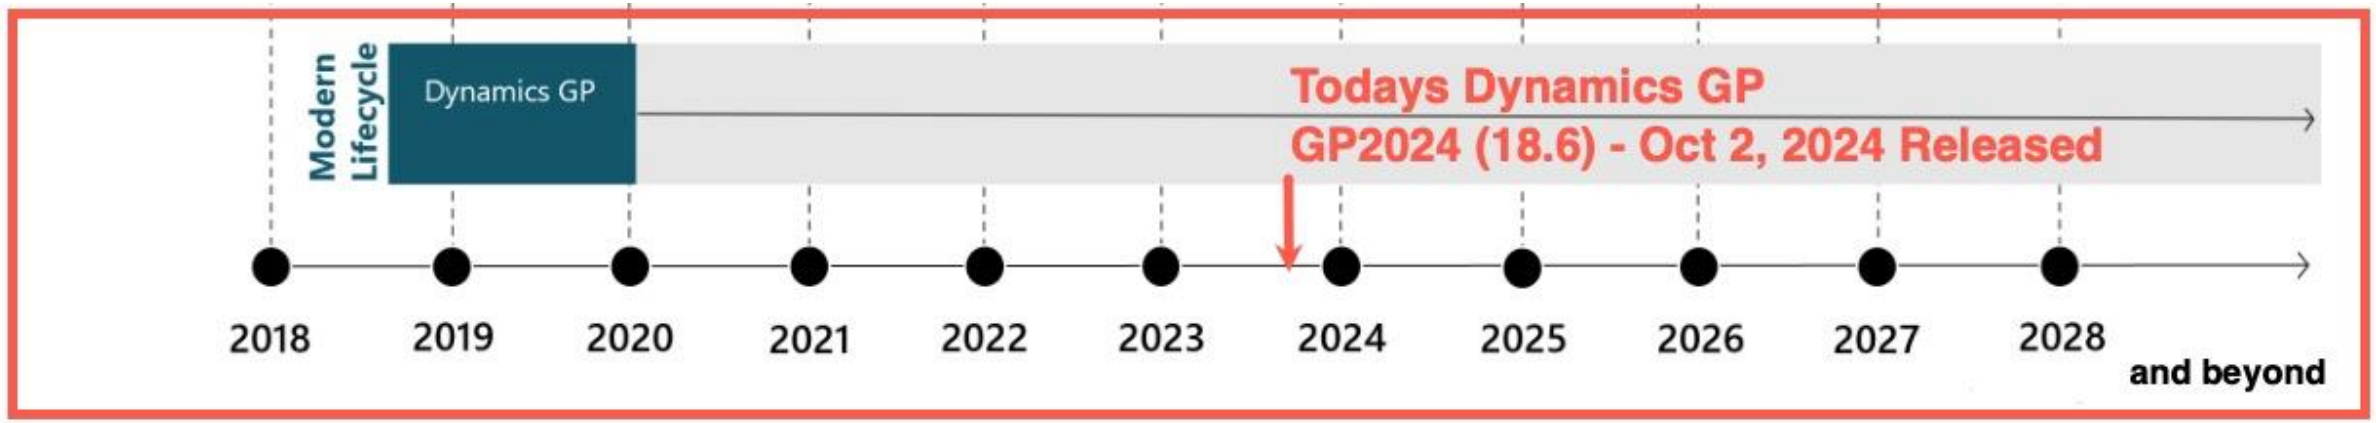
- The Future of Dynamics GP
- “Migrating” to Dynamics 365 BC
- Migrating to PowerGP Online
- PowerGP Online ISV Apps
- Time for Questions

# The Future of Dynamics GP

# The Dynamics GP Roadmap!



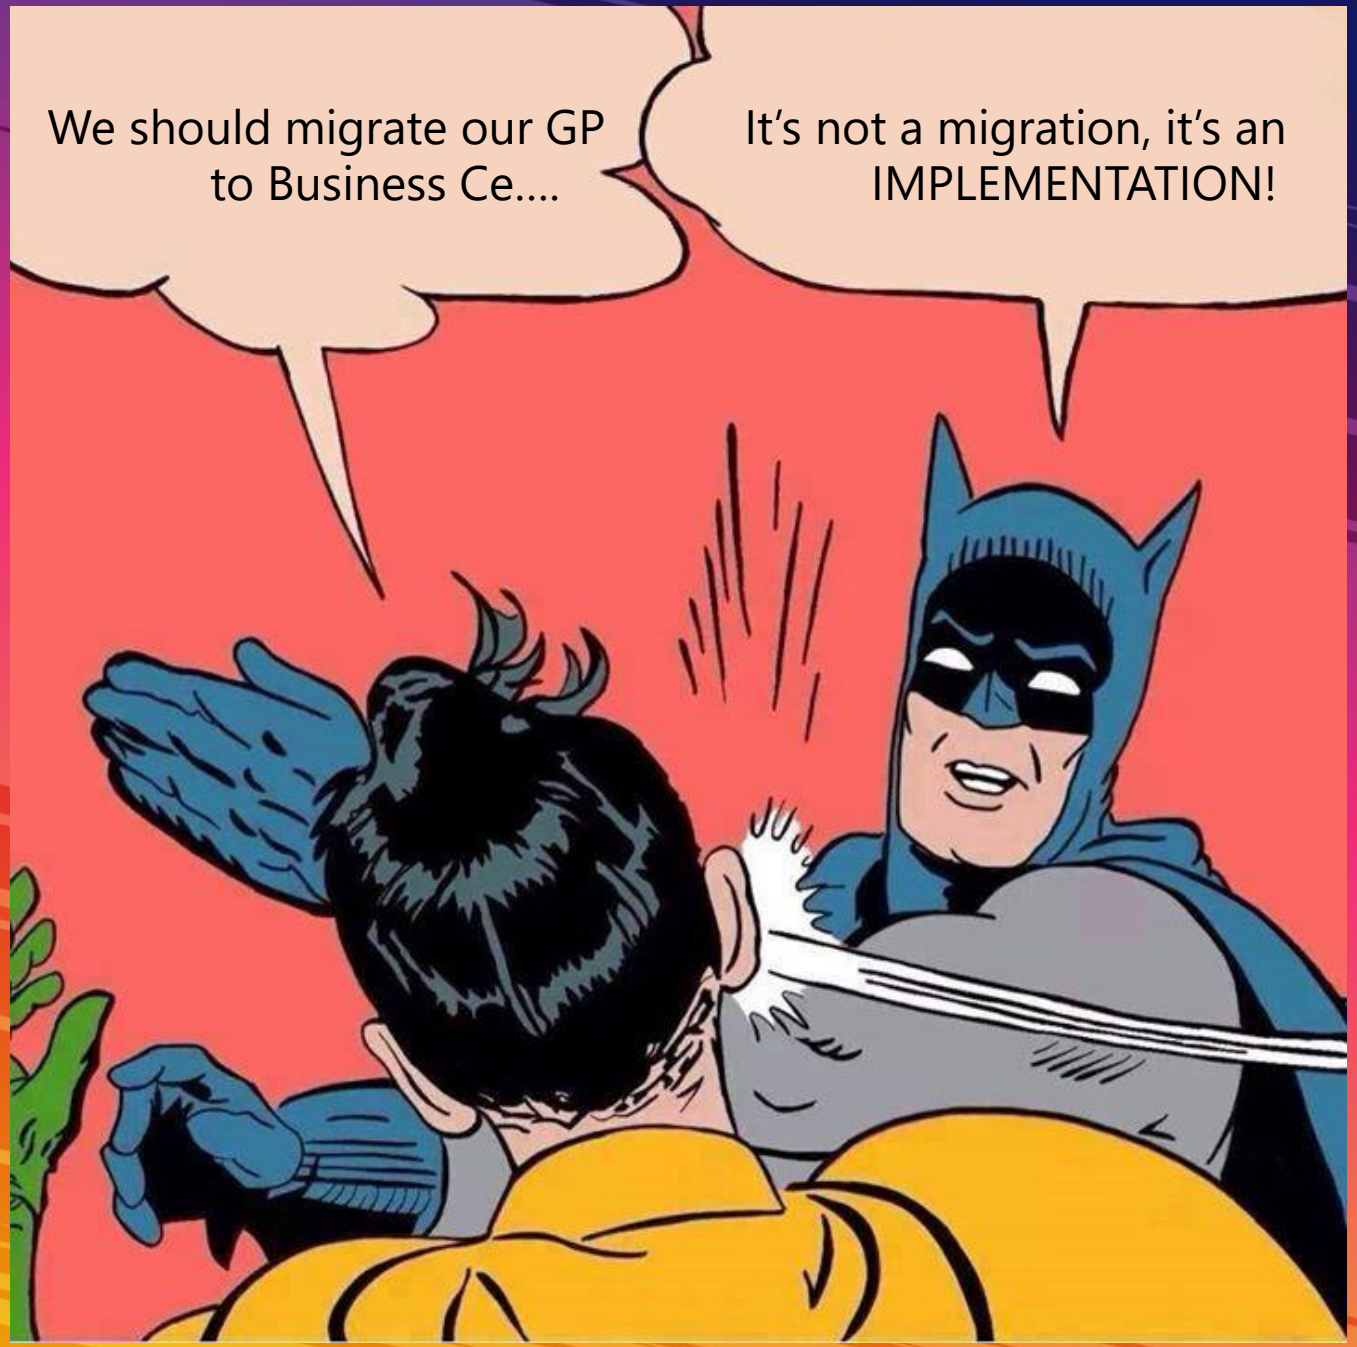
# The Dynamics GP Roadmap!



# The TRUTH about Dynamics GP

- There have been 18 Dynamics GP Updates since Feb 2020
- There are 30-40K businesses running Dynamics GP.
- Microsoft is committed to supporting Dynamics GP through 2028 and Beyond.
- Njevity will continue to support Dynamics GP even after Microsoft stops.
- You have nothing to worry about!

# “Migrating” to Dynamics 365 BC



We should migrate our GP to Business Ce….
It’s not a migration, it’s an IMPLEMENTATION!

# “Migrating” to Dynamics 365 BC

- Whole new product
- Whole new implementation
- Not all of your data migrates
- You have to redesign your processes
- You have retrain your employees
- Minimum of 80-100 hours
- ISVs?
- Integrations?
- Reports?

# Migrating to PowerGP Online

# Migrating to PowerGP Online is EASY!

Backup Your Databases → Upload Your Databases → Start Using PowerGP Online!

Cost is $2,495
