SPONSORSHIP PROSPECTUS

May 13-16, 2025 | Hyatt Regency, Chicago, IL

dynamicscon.com

VALUE PROPOSITION:

DynamicsCon, powered by [Dynamics User Group](#), offers unparalleled sponsorship opportunities, granting exclusive brand visibility to showcase your company's offerings to thousands of attendees including a variety of dedicated MS BizApps users and professionals. Capitalize on the 5th annual in-person event to gain extensive brand exposure and generate qualified leads. This will be the first-year featuring an [EXPO HALL](#) for exhibitor sponsors!

MISSION STATEMENT:

At DynamicsCon, the goal is to provide an enriching experience with 260+ educational sessions covering Microsoft Business Applications including D365 BC, CE, F&SC, Dynamics GP, and Power Platform, along with Cross-Product learning for AI, Leadership, Marketing and more. Led by industry experts, Microsoft employees, and Microsoft MVPs, these sessions offer cutting-edge tools, techniques, and best practices in a diverse and inclusive environment. With ample networking opportunities and dedicated expo time, attendees can connect with peers and sponsors. Sponsorship benefits include lead generation, event web presence, email exposure, social media awareness, prominent website profiles, exhibit space, brand visibility, live presentation opportunities, and direct connections via the conference app. Let's shape the future of the Dynamics community together!

EVENT LOCATION:

Join this community from May 13-16, 2025, at the [Hyatt Regency in Chicago, IL](#), as we all come together to expand our knowledge and expertise in the Microsoft Dynamics and Power Platform ecosystem. Your partnership truly makes a difference!

DUG extends our deepest gratitude to those sponsors whose generous support makes DynamicsCon possible!

"Sponsoring DynamicsCon 2024 was an exceptional experience for our team. With the expo, sessions, and hotel rooms all in one location, we had opportunities for multiple touchpoints with prospects and customers throughout the week. This unique setup allowed us to maximize interactions and build meaningful relationships in a way that few other events offer."

Brent Faller, Director of Marketing @ Ellipse Solutions

ADD-ON or STANDALONE SPONSORSHIP

VIRTUAL SWAG BAG SPONSOR

[Return to sponsorship option page](#)

Sponsor-provided promotional items are included in an online virtual swag bag, but with a physical punch made available to event website viewers to build their own swag bag via a dedicated web page. Great way to collect Leads!

Benefits Include:

- **Engagement:** Increased attendee engagement before the event even starts!
- **Awareness:** Additional brand exposure, visibility, and awareness.
- **Lead Source:** Added lead generation capability for better sponsorship ROI.
- **Staff Pass:** Event passes for your staff available to purchase with 20% off coupon code.
- Check out: DynamicsCon 2024: [Virtual Swag Bag](#).

Promotional Item Example Ideas:

- **Educational & Informative:** Brochures, downloads, online courses, white papers
- **Monetary:** Coupon codes, vouchers, discounts, gift cards, raffles, drawings
- **Services:** Offer free software demos, consultations, or software & system evaluations
- **Swag:** T-shirts, Yeti coolers, drinkware, Bluetooth speaker
- **Customized:** Be creative with your own unique idea which will drive viewers to select your offer/item.

How It Works:

- VSB website goes live a few months before event start date, sponsor provides a promotional item with a short description to be included on VSB web page.
- Viewers visiting the VSB web page will select which sponsor promotional items they desire to fill their VSB and then submit their form which includes their contact info.
- Sponsor fulfillment contact will receive the form via email notification immediately that a viewer has selected their VSB promotional item.
- Sponsor is responsible to fulfill the promotional item request.

Any promotional item and shipping costs to recipient is at sponsor's expense.
All Virtual Swag Bag promotional items must be approved by DUG.

DCON24 VSB Results:
