

# AVIDPAY

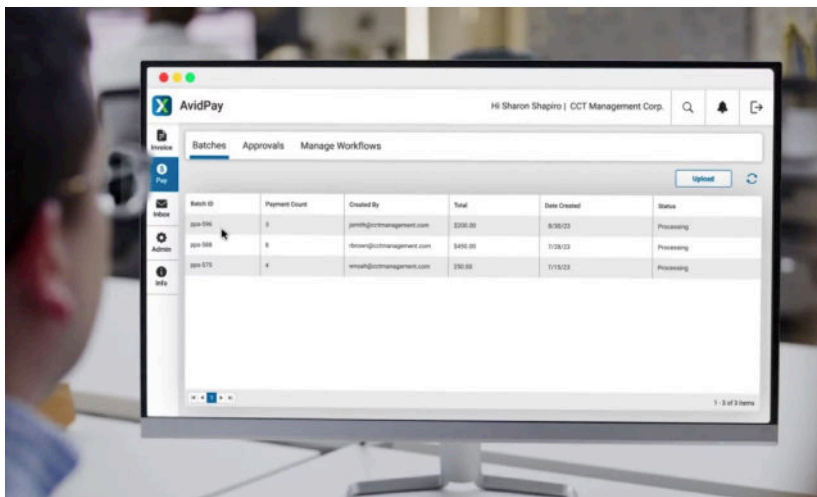

Bringing your pay process more options, improved efficiency, and reduced risk of fraud

Manually managing payments for all your suppliers is complex, time consuming and sometimes risky. Suppliers are always looking for late or missing payments, AP is bogged down tracking supplier payment preferences, and the process of following up on uncashed checks can be ineffective and inefficient at best. But with AvidPay, there's a better solution.

## AvidPay

AvidPay is a payment automation solution built to help you improve risk-prone, inefficient payment processes, and more easily pay bills. With AvidPay, you have access to:

- A full-service payment execution team enabling you to pay suppliers faster using the method they prefer
- +825,000 suppliers paid through the AvidPay Network over the last 5 years
- Payment approvals anywhere, anytime
- Real-time visibility into every payment
- Security around sensitive supplier banking data, and the ability to limit liability associated with check fraud
- ePayment incentive programs designed to help improve your ROI
